Alma Mater

Dreaming of Alma Mater
Down on the Eastern Shore
Dreaming of pals and friendship
Memories forevermore.

Deep in my heart there's a longing
Just for the sight of you;
I know you're always waiting,
I know you're always true.

Alma Mater, Alma Mater, I love you.
Paradise forever lies 'neath skies of blue.
In the sunshine or in shadow ever new,
Alma Mater, Alma Mater, I love you.

Senior Class History

FRESHMAN YEAR

After all of our years in grammar school, we have at last reached the most interesting and exciting part of school life, Freshmen at Wicomico High. In room 25, there were only boys. It became known as the "Bachelor Club" and all of the boys were very proud of the title. Our most interesting class was science. We were fascinated by the experiments we saw in the Lab. We did not have many interests as "Freshies" but some of us did take part in May Day and Field Day.

SOPHOMORE YEAR

Back to school as "Simple Sophomores". Girls and boys were placed together this year in Homerooms 24 and 25. Many transfers came to our class and in this way it was greatly enlarged. Our interest began to widen also. We took part in varsity and intramural sports, Ensemble, Press Club, Wi-Hi News Staff, and a musical, "The Spirit of '47", under the capable direction of Mr. Granville Eagler. All summer we looked forward with anticipation to the coming year when we would be Juniors.

JUNIOR YEAR

This year the first thing we decided to do was elect our class officers. They were Bill Malone, President; Lacy Austin, Vice President; Virginia Christian, Treasurer; Norma Elliott, Secretary. We then started to work on the class play. There were many of us who tried out for it and after many weeks of practice came our play, "Sneak Date". It was very successful and our thanks go to Miss Farlow and Miss Stewart for their help in making it possible. The Junior-Senior Banquet required much of our time after the play. We had fun decorating the cafeteria and getting ready for the big night. Everyone had a good time. We began to wonder what the next year would have in store for us.

SENIOR YEAR

Seniors at last. This year was by far the most wonderful year. We were all busy with one thing or another. Getting the newspaper out every two weeks was quite a difficult job for our editor, Nancy Richardson. Work on the Yearbook required the efforts of all the Seniors and there was the Student Council which took much of our time also. Other activities were Press Club, Dramatic Club, and Key Club. Some of us were in the operetta "H. M. S. Pinafore". Athletics, in which we were all interested, were under the direction of Miss Mary Morling Troy, Mr. Charles Berry, and Mr. Sam Siedel. Our class officers were Bill Kniceley, President; Lloyd Harrington, Vice-President; Norma Elliott, Secretary; Rodney Johnson, Treasurer; Betty Calcott, Historian. This was the year we had all looked forward to. Senior Prom, Junior-Senior Banquet, Senior Class Play and May Day. Now we regretfully leave Wi-Hi with our memories and our thanks to the faculty and principal who have made our days here so pleasant.

Historian,

Betty Calcott

Class Prophecy

Gazing down into my crystal ball
Fate has fallen upon us all
And this history has come to pass
Of the nineteen hundred and 49 class.
Some of us have been put in chains
Still others have gained a little brains
So lend us your ears and eyes
For this is what we prophesize

On Ocean City Road on a hill
Wi-Hi is standing still
Believe it or not Mr. Howard is sane
So all his work was not in vain
After we left Miss Farlow passed out
And she still is not up yet and about.

CHARLOTTE FARLOW has tried all resources
She has now taught her children to ride horses.

LACEY AUSTIN is quite a card
Since he joined the U. S. Coast Guard.

Down the road lives JEANNE PRYOR
Still trying to fix her father's flat tire.

WILLARD WALLACE, as you can see
Isn't as fast as a telegraph key.

Because she stuffed herself with Bond Bread
VIRGINIA CHRISTIAN has a pain in her head.

BILL SENKBEIL still hasn't said a word
But a new land he discovered, we heard.

MERRILL HARRINGTON is still going fast
For two State Troopers he has just passed.

Because he and Anne are living on a farm.

LOIS WILLIAMS, you can now hear or see
For she is in the telephone office, busy as a bee.

If you see a glare of blond in the air
Don't be alarmed, it's BOB BEDSWORTH'S hair.

BETTY JANE WHITE used to play tennis
But now she's changed her name to Ennis.

JIMMY WILSON has won great fame
And now he has a remembered name.

RICHARD HUMLER said he'd fly all over
But he just can't seem to get past Dover.

For now baseball holds his name.

LESTER HATTON went out West
He chose the one that was the best.

MAURICE BRITTINGHAM has a sore arm
From digging potatoes on his farm.

NORMA ELLIOTT is now in Beacom's College
Trying to gain some needed knowledge.

BILLY RILEY, the girls all call
Because now he is 6 ft. tall.

SHIRLEY CULVER has gone far
Because she's now a singing star.

JIMMY BOUNDS is never late
He just found a steady date.

Some sympathy JIMMY STEWART'S needing
A cop just caught him for speeding.

GEORGE MALLEY now likes this town
Because Becky said she'd settle down.

DOT CHATHAM'S really on the beam
She's now raising a basketball team.

ALVIN BOZMAN is well fed
But did you ever see him when his face wasn't red?

LEONARD CULVER is now well known
'Cause now he is manufacturing combs.

More of Anne, RODNEY JOHNSON wanted to see
So now he's in training a doctor to be.

The year began with three good teams, each playing hard. The fieldball team had a very good year. To our new coach, Miss Troy, we surely can say thank you. The soccer team had an average year. The boys were young, but with the good coaching of Mr. Seidel they got experience which they hope will help them next year.

The football squad did a good job. They welcome Coach Berry back to Wi-Hi. They also had young boys, so they will be keeping the most of the squad for next year. Thanks to those boys who will be leaving, for a wonderful job.

The team enjoyed playing under the lights on their own field. Thanks to the P.T.A., for giving us the thing we had dreamed of for so long.

The basketball teams had a hard schedule, but the girls and the boys both did a fine job of bringing home many victories for the school.

The girls' basketball team made a fine showing for the year, with the excellent coaching of Miss Troy. The girls really took over at the beginning of the season, but made several bows to opposing teams. All in all the team did a splendid job.

The boys' basketball team had a victorious year, with only three losses; they deserve all the thanks we can give them. To the boys we say, "Well Done". Thanks to Mr. Seidel for the valuable coaching he gave them. The basketball team will keep most of the squad for next year. Congratulations to the boys who played in the play-offs for state championships, for the excellent games.

Three cheers for both the girls and boys, on all of the Wi-Hi athletic teams.
